

ANALYSIS ACES – EXECUTIVE SUITE

INTRODUCTION

Interested in putting your guts and interest on the line for data science and finance? Don't worry. We are here for you with one of our most prestigious competitions, "Analysis Aces". Put your talent to good use by using your observational and analytical skills.

EVENT FORMAT

This is a single-round event where all teams will be given an identical data set along with a problem statement. Each team has to observe the data and analyse it to formulate a solution for the problem statement.

RULES AND REGULATION

- Each team should contain a maximum of 4 members and a minimum of 1 member.
- No team member can be a part of two or more teams. Both teams will be disqualified in such a case.
- Each team must consist of 1 team captain.
- Judges will finalize the result, and no contentions will be encouraged. A Terms and Conditions document will be provided to each team after registering for the event.
- Any form of plagiarism is discouraged, and any team indulging will be eliminated.
- The presentation must be in the form of a PowerPoint or pdf.
- The ppt presentation must not contain more than 15 slides, including a cover slide and thank you slide.
- The pdf presentation must not contain more than 15 pages, including a cover page and thank you slide with font size of 12 for content.
- In case of any discrepancies, the decision of team Wissenaire is final.

EVALUATION

Evaluation will be based on the solution's relevance, creativity, and effectiveness.
