SCHOOL CHAMP

Introduction

“Education is not learning of facts but training the mind to think”

Wissenaire’23 provides an eminent platform to all the young minds out there brimming with enthusiasm. With the prime motive of nurturing cognitive skills and wide exposure to school students, here comes the School Champ with its 4 rounds. Grab this opportunity bestowed on you!!

Event Format

Round 1: Participants are given Sudoku Puzzles and they are expected to solve in a minimum time with accuracy. Points will be allotted according to the time taken for solving the given Sudoku puzzle. Participants from each standard (8th ,9th, and 10th) whose score crosses a cutoff range will seize the spot in the next round.

Round 2: Participants will be given prominent scientist names with letters jumbled, and they need to guess and set the name right. 10 such names would be given and top 10 participants with the highest score in specified time will seize the spot in the next round.

Round 3: Participants will have to participate in a quiz on general knowledge, where they need to answer 10 questions. The top 5 participants with the highest score will seize the spot in the next round.

Round 4: Participants will be interviewed, and points will be given based on communication skills, spontaneity, accuracy of answers etc. Finally, the top 3 participants will be declared as winners.
