

IIT Bhubaneswar

MATHS OLYMPIAD

INTRODUCTION:

Will there be anyone who won't be interested to become an explorer and experience the adventures in it? Won't it seem more exciting if you are given a chance to make your expedition wherever you are? If it is so then you are at the right place to start your journey from.

"Mathematics is not a careful march down a well cleared highway, but a strange wilderness, where explorers often get lost. Rigour should be a signal to the historian that the maps have been made and the real explorers have gone elsewhere".

And here is your expedition, your maps are the ways in which you approach the solution which is the hidden treasure. So, grab this opportunity of becoming the explorers you wanted to be by participating in this "Maths Olympiad".

EVENT FORMAT:

- Question paper will be of MCQ type.
- Participants have to mark their answers on the OMR sheet provided.
- Each Correct answer will be awarded with +4 marks.
- No marks will be deducted for wrong answers.
- Round-1: This test consists of 3 sections each consisting of questions based on mathematical applications, logical reasoning and aptitude. Duration of the test will be 60 minutes.
- Result of round-1 will be declared within 1 hour of the completion of round.
- Round-2: Participants will be provided with the details of this round on the spot.

RULES AND REGULATIONS:

- Only individual participation.
- Appearing for both the papers is compulsory.
- There is no restriction on the number of participants from a college.
- No reference material will be allowed.
- Violation of any rule can result in elimination of the participant from the event.
- In case of any discrepancy, the team Wissenaire's decision is final.
