

IIT Bhubaneswar

## Code Hasten

### **INTRODUCTION:**

Are you and your friends from that group interested in competitive programming and seeking to advance your knowledge of it? Here's **Wissenaire, IIT Bhubaneswar** presenting **Code Hasten**, a programming competition where you can join with friends and sharpen your abilities together.

### **Contest details:**

- Team size: 1-3 members.
- This event consists of two rounds: an online round and an offline round.
- The two-hour online contest will be held on our platform partner: Code chef on January 14 starting from 8 pm (IST) to 10 pm (IST).
- Additionally, a few days prior to the contest, the contest link and registration will be made available on Code chef.
- Teams can view the results from leader board of the same page.
- Teams qualifying the online round will be invited to IIT Bhubaneswar for a 3hr offline round from 28 to 29 Jan.
- In case of any disputes, the decision made by the organizing committee shall be final and binding.
