QUIZZAIRE

Introduction

Are you someone looking for a bit of quizzing to make your day!

Well Wissenaire'23 presents you Quizzaire with different rounds on various technical domains!!! Hold on and get ready to dive in the world of quizzing!!!

EVENT FORMAT

- It will be conducted in offline mode in the premises of IIT Bhubaneswar.
- The quiz will consist of two rounds (prelims + finals) with questions for all and everything related to Science, Technology and Business.

RULES AND REGULATIONS

- Students can either participate in teams of two or as lone wolves.
- The participation fee is Rs 99/-.
- Prelims will consist of 15 questions, based on which the top 6-8 teams will be selected for the Final Round.
- Starred questions will be present in the prelims for tie- breaking.
- A complete round in the finals will be based on this year's theme:
- "Aeternum Reis: Redefining automobile and transportation technology in the light of accrescent exigencies."
- The rules and format for all other rounds in the finals   will be intimated on the spot.
- Any attempt at malpractice will lead to immediate disqualification.
- In case of any discrepancy, the decision made by the Team Wissenaire will be final.
