TOURNAMENT PROCEDURE

- The tournament will be held online
- Tournament mode will be decided on the basis of number of registrations.
- It will be either BATTLE ROYAL or MULTIPLAYER MODE.
- The match will have the same rules as Standard matches.

MULTIPLAYER MODES

- Search and Destroy
- Capture the flag
- Team deathmatch
- Domination

MAPS

- Crash
- Terminal
- Kill house
- Nuketown
- Rust
- Summit
- Firing range

FORMAT

- Each team plays league matches among them either with multiple pools or a single pool and the team with the highest number of wins declared winner.
- Maps will be decided at the time of match and will be informed to respective squad leader.

RULES

- Each team should have a squad leader and squad leader should register his and his teammates details in the website itself.
- Each team consists of 5 players with no substitutes.
- Squad leader will be notified with the fixtures and room.
- For every win each team gains 1 point and if there is a tie then a 2 min game is conducted to get a final winner.
- Players must ensure that the game is updated to the latest version and all maps are downloaded beforehand.
- Squad leaders must be ready along with their teammates 15 minutes prior to the allotted time. If not the other team will be declared winner for that particular match.
- Players must compete to the best of their skill and ability at all times. Any form of cheating by any Players will not be tolerated.
- Organizing team will take the final call and have the right to kick/ban any player without prior information.
- Any unfair activity observed, the organiser can disqualify the team on spot and the other team will be given points.
- Any changes can be made during the tournament, and will be informed during the match time.
