# EVENT: MEMORY CHALLENGE

## INTRODUCTION:

A simple-to-use yet extremely effective tool for training and testing visual memory skills is Memory Challenge!

It is beneficial for people of all ages and skill levels due to its introductory through intermediate levels of complexity. This event helps the participants to memorize the things and discuss among the team-mates to come up with the answer. All in all, this event would be great fun playing with friends.

## EVENT FORMAT:

- Total no of teams 10-15.
- Maximum of 3 members in a team.
- Total no of rounds will be 3.
- Each round will be a knockout round.
- 1st round-pictures are shown to the participants numbered from 1 to 30 in which 2 pics will be similar. The team to press the buzzer first should pick a number and find the similar one.
- 2nd round- A deck of 52 cards is shuffled and 15-20 cards are shown one by one and participants have to write the color, number, and name of the card in the right order.
- 3rd round- Ten mobile numbers will be shown for 2 min and after that participants have to write those phone numbers correctly.

## RULES AND REGULATION:

- The 1st round will be a buzzer round and the 1st team to press the buzzer will answer the question. If the answer provided by the team is wrong then the 2nd team will answer.
- In the 2nd round, qualified teams from the first round will be given a pen and paper and participants have to write those in the right sequence.
- In the 3rd round, participants have to write the mobile numbers on the paper.

## JUDGING CRITERIA:

- **1st round scoring system:** The 1st team to press the buzzer and answer correctly will be awarded 30 points, if they answer wrong then 5 points will be deducted from them, and the 2nd team will get a chance and if they answer correctly 20 points will be awarded else 5 points will be deducted. But the 2nd will have a chance to skip the questions and no points will be deducted for that.
- Top 5 teams at the end of the 1st round will be participating in the next round.
- **2nd round scoring system:** 10 points each for the right card in the sequence.
- Top 3 teams at the end of the 2nd round will qualify for the last round.

- **2nd round scoring system:** 10 points each for the right card in the sequence.
- Top 3 teams at the end of the 2nd round will qualify for the last round.
- **3rd round scoring system:** 10 points each for correctly writing all the 10 digits of a mobile number.
